

CV Registration / Job Application process SkillsMap

Important for external candidates and current temporary staff:

You must have a valid e-mail address. If you do not have a valid e-mail address, be sure to create an account with a webmail provider (Gmail, Yahoo, etc) as you need an e-mail address in order to create a profile on our recruitment database.

Once you have a valid e-mail address, please continue with the steps outlined below.

Important for internal candidates / Assupol permanent employees:

You must use your name@assupol.co.za e-mail address. If you do use this e-mail address the system will not register you as an INTERNAL candidate, but as an EXTERNAL candidate.

Please continue with the steps outlined below.
